You are selling **1039** photos. (Includes photos waiting approval)

Photo Sales:

Date	Photo	Item	Price	Profit	Status
11/25		Digital	\$3.00	\$1.50	Not Paid
			\$3.00	\$1.50	Total Unpaid: \$1.50

3. Add photos

This list is really important. Here you will upload your photo(s) to the Marketplace.

(1.) Choose the number of photos you would like to upload. You are able to upload 1, 3 or 5 photos at a time. (2.) Choose your photo(s) which you want to sell in the Marketplace.

(3.) Add Title of photo(s)

(4.) Description (5.)

Keywords. It is very important that you add the right Title, Description and Keywords to your photo. If you do not do this, your photo(s) run the risk of being declined. Without proper keywords, your photo will not be found easily by buyers and won't sell well. Please use the English language as much as possible for your Title, Description and Keywords. Marketplace sets up a default price of 4.00 USD per each photo, you can change it. (6.)

Choose Main Category where photo(s) will be located. (7.)

If your photo(s) can be located in Other Category than Main, you choose it and the photo will be located there too. (8.)

You can offer Model Release or Property Release of course. (9.)

You are able to offer 3 sizes of your original photo. Choose size(s) (10.) and upload your photo(s) to the Marketplace. (11.)

Your photo(s) is waiting for approval. Photo(s) will be approved in 36 hours.

ALSO CREATE THESE OTHER VERSIONS OF THIS PHOTO
Select the other sizes you wish to sell. Select only the ones that are smaller than your original photo width! (Example: If you upload a 800x640 image select any size under 800px.)

800 | 800(pixels) | \$1.00
 1024 | 1024(pixels) | \$2.00
 1280 | 1280(pixels) | \$3.00 10.

Uploading may take a few minutes depending on the size of your photo and connection speed.
11.

4. Batch upload

Make sure that you upload photos in batches you want to work with. Similar photos that you want to have the same titles, keywords, descriptions, categories, etc.. After Uploading the photos (1.) you will see a list of the uploaded photos in the window Already Uploaded (2.) Then click on the "Import Photos" list in the above menu to import the photos into your store and assign titles, descriptions, keywords, and many more options to the photos.

Info on uploading and importing

Uploading:

Make sure that you upload photos in batches you want to work with (similar photos that you want to have the same titles, keywords, descriptions, categories, etc..).

Example: If you have a bunch of dog photos upload those first and process them using the import photo page, and then upload another batch of photos related to cats and process those.

Import:

After Uploading the photos click on the "Import Photos" link in the above menu to import the photos into your store and assign titles, descriptions, keywords, and many more options to the photos.

Upload 1.

Select Files to Upload

Already Uploaded 2.

5. Import photos

Add Title of photo(s) (1.) Description (2.) Keywords (3.). It is very important you add the right Title, Description and Keywords to your photo. Without proper keywords, your photo will not be found easily by buyers, and thus be sold less. Please use the English language as much as possible for your Title, Description and Keywords.

Marketplace sets up a default price of 4.00 USD per each photo, you can change it if you want. (4.) Choose Main Category where photo(s) will be located. (5.)

If your photo(s) can be located in Other Category than Main, you choose it and the photo will be located there too. (6.)

You can offer Model Release or Property Release of course. (7.) You are able to offer 3 sizes of your original photo. Choose size(s) (8.) and upload your photo(s) to Marketplace.

Your photo(s) is waiting for approval. Photo(s) will be approved in 36 hours.
